

A black, modern range hood with a sleek, angular design, mounted above the stove. It features a control panel on the top surface and is integrated into a dark cabinet structure.

A four-burner gas stove with black grates, set into a light-colored countertop. A small wooden cutting board and two glass bottles are placed on the counter to the right of the stove.

A large, rectangular stainless steel sink with a modern chrome faucet. A metal dish rack is installed inside the sink. The sink is set into a light-colored countertop.

A wooden shelf mounted on the wall, illuminated by a long, thin LED light strip underneath. It holds a white ceramic coffee pot and a white mug.

A built-in wooden shelf or niche area containing a blue ceramic teapot, two black mugs, and a white vase with red flowers. The background behind the items is a dark blue panel.

A square window with a black frame and frosted glass, set into a white wall. It provides a view of the outdoors while maintaining privacy.

A rectangular mat with a dark border, placed on the light-colored wooden floor. It appears to be a protective mat or a decorative element.
